Payment Options

Holoohan Dental Professionals offers several convenient payment options to help make your dental care affordable.

- We accept Cash, Check, Visa, MasterCard, and Discover at time of service.
- For treatment costing \$1200 or more, patients who pay in full by Cash or Check prior to or on date of service will receive a bookkeeping courtesy of five percent (5%). For patients who pay in full by credit card prior to or on date of service will receive a bookkeeping courtesy of three percent (3%).
- We offer 3 months interest free financing through our office. Your fee will be divided into three equal payments with the first payment to be made at the onset of treatment.
- We offer 6 month no interest and 12-month low interest payment plans through our financing partner CareCredit. Please talk to our Financial Coordinators for more details and to receive a credit application.
- We will accept the assignment (payment) of insurance benefits in some instances provided that your coverage has been verified and we have current credit card information on file to charge any remaining balance not paid by your insurance company. We may request payment of your estimated out-of-pocket expense at the time of service.
- Treatment involving laboratory costs or lengthy appointments may require a down payment to reserve your appointment time.

At the onset of your treatment, we will provide you with an estimate of your treatment costs. Should the need for additional treatment arise during the course of the original treatment plan, the estimated fees may change. Be assured that we will notify you of any fee changes and obtain your approval prior to proceeding with treatment. Please feel free to discuss any questions you may have regarding the payment options described above with our Financial Coordinators. We thank you for entrusting us with your dental care needs.
